## WIN FIRST BASKET BALL GAME 38-14

Girls Team also Defeats Haskins by 19-0 Score.

P. H. S. boys' and girls' basketball teams won from Haskins H. The boys won in a fast exciting game 38 to 14. Capt. Thornton led in the scoring, making 16 of the 38 points. Ballentyne started the game at right forward but his shoulder was thrown out of joint and Thurlby took his place.

The whole team played a fine game. Thornton and Thurlby at forwards and Sheldrick at center played a fine offensive game during most of the scoring; Dibling and Wiser at guards played a fine defensive game and kept Haskins to a low score.

Haskins had played four games winning three, and fully expected to win from Perrysburg.

The scoring was as follows: Thornton, 16 points; Ballentyne, 4 points; Thurlby, 4 points; Sheldrick, 10 points; Wiser, 4 points.

The girls played a good game. The first half ended 2 to 0 in favor of P. H. S. The second half was much faster, P. H. S. scoring 17 points to Haskins 0. Score: P. H. S., 19. Haskins, 0.

### High School

Rev. Kleupfel's address to the High School last Friday on the "Worker" was very much appreciated. He showed in an unique way the difference between the worker and the shirker.

### METHODIST EPISCOPAL CHURCH

W. H. Spybey, Pastor.

The services of last Sunday were well attended and profitable, indicating a fine interest and hunger for God's house.

The sermon next Sunday morning will have for its subject: "What Is it to Be a Christian." At night a short sermon followed by the second play in the "Son of Democracy" series. It contains Tom Lincoln's thrilling fight to retain his farm. The large audience seeing "My Mother" last Sunday evening know what a thorough treat is in store. The whole series is distinctly "different," and make a universal appeal. The pathos and humor blend in fine proportions and the whole effect is splendid. The auditorium should be crowded next Sunday evening.

Not the least of last Sunday's pleasures was the Epworth League well led by Helen Williams. This League is making Christian leaders and developing Christian experience.

And Sunday School is busy with plans for the holidays and profitable every session.

The Ladies' Aid meets on Friday afternoon at the church. The public is invited to all our meetings.

## Should Not be Necessary

The Civic Association is going to give a minstrel show in January, also give away a Harpinola in order to raise money to carry on the work it has in view for the advancement of the best interests of Perrysburg and Perrysburg Township.

This method of raising funds should not be necessary.

In towns much smaller than Perrysburg they have Associations and each member on joining agrees to pay \$10 a year for three years, \$5 in advance for each six months' period.

The farmers within a radius of five and six miles are members and are represented on the board of directors. The farmers are vitally interested in any commercial association because they realize as the town grows their land advances in value, and their children, when they leave the farm, are not compelled to go so far to seek a position.

We believe the Civic Association of Perrysburg should be sustained in the same manner and we believe there ought to be at least 200 men in the town and 200 men in the township who think enough of their home town to take a \$5 a year membership for a period of two years.

The Journal will gladly take two memberships like the above if the number can be raised. Will you join and be a booster for the best town of its size in Ohio.

## \$500.00 CHRISTMAS GIFT PRESENTED LEGION POST

"Home Boy Fund" Not Needed for Purpose Intended so is Give to Good Cause.

At the regular meeting of Perrysburg Post, No. 28, of the American Legion, at the Civic Rooms, on Tuesday evening, December 9, the members were given a rare treat and complete surprise when a communication was opened and read, which contained a check for \$500 drawn in favor of the Post, and accompanied by the following letter:

PERRYSBURG, O., Dec. 9, '19  
To Perrysburg Post, No. 28,  
American Legion:

During the time the Perrysburg Legion boys were in service the friends "back home" raised a fund of \$500, as a reserve fund—to help any of "our boys" who might become disabled.

We are more than thankful this fund was not needed.

We now present it to Post No. 28, with the greetings of the season.

Yours with much interest,

"THE HOME BOY FUND,"  
MRS. ROBERT MAWER, Sec'y.

The news was received by the boys as a great surprise and loud applause which bespoke their appreciation.

A motion carried that fitting resolutions of thanks be drawn up and

returned the donors of this magnificent Christmas gift.

This fund was raised by the untiring efforts of a band of deligent and patriotic workers headed by Mrs. Robert Mower, who left Perrysburg for the service, a well equipped "comfort kit" with home knitted sweaters, trench caps and gloves.

Besides all this they raised a surplus fund to be used in case any of our boys should come back crippled, or in any way disabled. Thanks to the Almighty the fund was not needed in this direction, therefore it was presented to the local post to be disposed of to the best advantage.

It was decided to hold the money in anticipation of locating permanent post room.

Other important features of the meeting were the interesting speeches on the activities of the National Convention by Col. Geo. P. Greenhalgh, of Perrysburg, and Irving Chapman, of Toledo, followed by a short talk by Harry Bartley, of Toledo, who spent four years overseas with the Canadian forces.

King's Jazz orchestra furnished several very fine selections and a box of good cigars helped make the meeting a success.

Perrysburg Post IS 100 per cent. Americanism.

### JUMPED THE TRACK

The Maumee Valley car No. 501, leaving Toledo at 7:26 p. m. Tuesday, did not reach Perrysburg on time, owing to the fact that it left the track at the Filtration plant and performed several tricks not on the regular schedule—cutting off a pole, when the front trucks left the track. The rear trucks continued going toward Maumee until the car was turned completely around and careened over on its side but straightened up again before completing its program of stunts.

Passengers were thrown together and badly shook up, several of whom were bruised, but none seriously injured except the motorman, Rus. Kohl, who had two ribs broken and was brought to the Rheinfrank hospital, while the passengers were permitted to remain in the car through which a 40-mile breeze was blowing to quiet their shocked nerves.

The passengers were finally transferred and reached Perrysburg at 10 p. m.

**SATURDAY SPECIAL**—The Journal for 3 months to new subscribers only, for 30 cents.

### CAR SERVICE RESUMED

Car service was resumed in Toledo at 3:30 p. m., last Friday, after a suspension of 27 days.

Early Friday morning the Maumee Valley cars were put in service but only went as far as the loop on Broadway and the Starr avenue loop.

It was after 2 o'clock when the order reached the local barns for cars to proceed on down town to the Interurban station.

Car No. 601 was selected to make the first trip into the city after the suspension and was in charge of Conductor Decko and Motorman Kohl and left here promptly at 3:08, arriving on time at the Interurban station at 3:58.

The only thing out of the ordinary to denote it was the first interurban car into the city in almost a month was the carrying of a big American flag.

### Purchases Town Property

Mr. E. S. De Verna has purchased the Chris Finkbeiner home on East Front street, and will move to town some time in February or March.
